

Signage provided routing eastbound sidewalk users to Anchor Way and trail connections.

**Legend:**

- Potential HazMat Sites
- Wetlands
- Historic and Section 4(f) Properties
- Historic Properties
- Property Access Type (from) Access Control Plan
- Areas where future connection to Yampa Core Trail would be accommodated
- Existing Right-of-Way
- Cut Wall
- Fill Wall
- Cut or Fill limits
- Detached sidewalks
- Attached sidewalk

N  
SCALE IN FEET

**Notes:**

Cut and fill lines shown are approximate based on the flush median or raised median cross section alternatives. Sidewalk footprint shown is approximate. Sidewalk may meander further from roadway in unconstrained areas. Proposed grade separated pedestrian crossings as shown are approximate, subject to more detailed design.
